ABBY* HASN’T ALWAYS HAD AN EASY TIME AT PRESCHOOL.

After a couple of years in a traditional preschool, her parents found that it was difficult for Abby to socialize with her classmates. Abby would try to connect with her peers in ways they didn’t understand, like rough play, or sometimes, even pinching. Time at school was a struggle, and arranging playdates became almost impossible.

Then, Abby’s family found Tiny Trees. In the beginning, the transition wasn’t easy for everyone. But with the open space of the outdoor classroom, the sensory input that nature provides and that Abby seems to crave, and the structure and support of caring teachers, Abby found her way. Abby’s parents recognized that “ABBY SEEMED TO THRIVE IN THE CONTEXT OF THE OUTDOORS, WITH THE TINY TREES PHILOSOPHY OF EDUCATION, and of course the excellent tutelage and care of Katherine and Maryyah.”

About halfway through the school year at Tiny Trees, teachers Katherine and Maryyah approached Abby’s parents. “We think it’s a good time to try another playdate. We think she’s ready.” Though a bit skeptical at first, Abby’s parents arranged a successful playdate that left both families, and Abby, confident in her ability to understand herself and build meaningful friendships with her peers. THIS YEAR, ABBY IS A TINY TREES GRADUATE. SHE’S READY FOR KINDERGARTEN.

THANK YOU!

You made Abby’s success possible, and paved the way for so many more kids to thrive outdoors. On behalf of the board, staff, volunteers, and families we serve, we thank you for your commitment to Tiny Trees. If you have questions or comments, call Katie at (206)701-0245 x7.
